

# MARSSIM Workgroup Update

Kathryn Snead, USEPA  
MARSSIM Workgroup Chair

Interagency Steering Committee on Radiation Standards  
Quarterly Meeting  
November 9, 2011

# MARSSIM Workgroup Update

New Workgroup Contacts

New Website

Internal Agency Review of MARSSIM, Rev. 2

Training

# Workgroup Contacts

## New EPA Member

- Lindsey Nguyen

## New NRC Members

- Cynthia Barr
- Luis Benevides
- Stephanie Bush-Goddard

## New Army POC

- Carlos Corredor

## New DOE Member

- Amanda Anderson

# New Website

New Address:

<http://www2.epa.gov/radiation/multi-agency-radiation-survey-and-site-investigation-manual-marssim>

# Internal Agency Review, MARSSIM Rev. 2

## Finalizing edits to the document

- Advantages and challenges due to using a greater number of less precise measurements versus a smaller number of more precise measurements for radiation site surveys
- All measurements must meet the Measurement Quality Objectives (MQOs) set for the survey

# Training

EPA Webinar-based Training Courses  
NRC and DOE In-person Training Courses
